FOLLOW-ME Rack Server

The Follow-Me Rack Server is the core of Follow-Me 3D TWO and SIX System. The Follow-Me Rack Server is a robust and secure solution that is pre-installed with Follow-Me 3D and optimised to work with the rest of the Follow-Me hardware within the Follow- Me 3D system.

The enclosure is 1U tall and 8.25-inch deep. A convenient front panel power button turns the unit on and off. Two USB 3.0 ports on the front of the Follow-Me rack server enables connection of keyboard and mouse.
